---A Traveling Club---  
-----

The SLUGS do not own property on which to participate in our choice to practice naturism.

Many of our members like to participate in outdoor events/activities that have the potential of harm to the individual because of travel, physical exertion, or any number of causes. We expect you to take personal responsibility for any harm befalling you when participating in these activities.

Events/activities planned by the SLUGS will be posted in the SLUGS newsletter, The Slimetrail. Members may attend any of the scheduled events as they wish.

Any member may volunteer – and is encouraged – to be the focal of the event/activity.

Any member wishing to participate in the event would contact the focal, and the focal provides instructions for participating in the event/activity.

If you wish to be the focal for an activity, but are unsure of what is needed, please contact the officers or board of directors, who will be pleased to assist you.

As a club, we participate with many of the landed naturist clubs, in events/activities of interest to our members.

Any member attending an event/activity sponsored by the SLUGS; or any other club is **TOTALLY** responsible for:

- getting to and from the event/activity
- any expenses to be incurred
- any fees or entry level requirements from other clubs
- any equipment needed to participate in the event/activity
- any injuries incurred to/during/from the event/activity.

## Rules of Conduct

As a Traveling Club, the actions shown by the members of the SLUGS will reflect upon our image as a club wherever we go. Our continued good fellowship with other clubs and organizations is totally dependent upon you, as a representative of our club, to show a good side to all that know you as one of our members.

Conduct is expected to be of the highest standards and must at all times be appropriate for a family setting.

The following are guidelines of Do's and Don't's.

Do:

Respect the rules of any club or organization that you may be visiting.

If you are out of the country, U.S./Canada/Mexico, etc. OBEY the law.

Treat the people you deal with, with respect.

Practice naturism within the bounds of what is legal

Behave responsibly

Don't:

Use of drugs, narcotics, and illegal substances are strictly prohibited

Excessive alcohol consumption and/or drunkenness is frowned upon

Abusive language, rude, or crude behavior, overtly sexual behavior, or advances of an unwelcome or unwanted nature will not be tolerated.

Conduct that is legally criminal

Firearms or weapons

**Photography or video cameras without permission – most landed clubs are adamant about any photography – including camera cell phones.**
